Assessment of pellet burner Ecotec Bioline 20 with boiler Focus PE-20

The pellet burners Ecotec A3 and Ecotec Bioline 20, manufactured by Ecotec värmeprodukter AB, Skene Sweden, have been tested with the boiler Combifire (see test report 97E1 2942 for Ecotec A3 and P403483 for Ecotec Bioline 20).

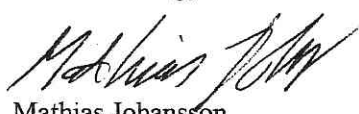

The pellet burner Ecotec A3 have also been tested with the boiler Focus PE-20 according to EN 303-5 and complies with the Class 3 requirements for CO, OGC, dust and efficiency in accordance with EN 303-5 (see test report P2 02550-2).

Based on the similarity in construction and the results from the test in the Combifire boiler the pellet burner Ecotec Bioline 20 is deemed to fulfil the Class 3 requirements for CO, OGC, dust and efficiency in accordance with EN 303-5 when installed in the boiler Focus PE20
